ZONING ORDINANCE
TOWNSHIP OF WATERTOWN
ORDINANCE NO. 200

AN ORDINANCE to regulate the use of land within the Township of Watertown, Sanilac County, Michigan in accordance with the provisions of Act 184, of the Public Acts of 1943, as amended.

THE TOWNSHIP OF WATERTOWN ORDAINS:

ARTICLE I

TITLE

Section 1.01. This Ordinance shall be known and cited as the Watertown Township Zoning Ordinance.

ARTICLE II

ACTIVITIES COVERED BY ORDINANCE

Section 2.01. No building or structure, or part thereof, shall be erected, constructed, placed, altered, or moved; and no new use or change in use shall be

made of any building, structure, or land, or part thereof; except in conformity with the provisions of this Ordinance.

ARTICLE III

ADMINISTRATION

Section 3.01. ZONING ADMINISTRATOR. The provisions of this Ordinance shall be administered by a Zoning Administrator appointed by the Township Board. The Zoning Administrator shall serve under such terms and at such rate of compensation as the Township Board may determine.

Section 3.02. ZONING PERMITS. A zoning permit shall be acquired from the Zoning Administrator before any construction is undertaken, any structure is moved, or any change in the use of any land or structure is undertaken within the Township.

A. APPLICATION. A zoning permit shall be applied for in writing on an application form provided by the Township.

B. PERMIT ISSUANCE. A zoning permit shall be issued by the Zoning Administrator whenever the proposed use complies with the provisions of this Ordinance and any necessary Planning Commission, Board of Appeals, or Township Board approvals have been obtained.

C. EXPIRATION. A zoning permit shall expire one year after the date of issuance unless the proposed use has been commenced within that year. Any amendment to the Zoning Ordinance shall have the effect of voiding any outstanding zoning permits for uses which have not been commenced and which would violate the amendment.

D. VOID PERMITS. Any zoning compliance permit issued in error or pursuant to an application containing any false statements shall be void.

E. PRIVATE RESTRICTIONS. The Zoning Administrator shall not refuse to issue a zoning permit due to violations of private covenants, agreements, or deed restrictions if the proposed use is permitted by the Zoning Ordinance.

F. FEES. The amount of any fees charged for zoning permits, applications, or inspections shall be established by the Township Board.

ARTICLE IV

ZONING DISTRICTS

Section 4.01. DISTRICTS. The Township is hereby divided into the following zoning districts:

AR	Agricultural - Residential
R	Single Family Residential
RM	Multiple Family Residential

Section 4.03. PRINCIPAL USES PERMITTED. All uses of land or structures listed as "principal uses permitted" shall be permitted throughout the district under which they are listed. Any use not expressly listed as a "principal use permitted" is prohibited in that district, unless approval has been obtained from the Planning Commission for the use as a "use permitted after special approval".

Section 4.04. USES PERMITTED AFTER SPECIAL APPROVAL. A use of land or structures listed as "uses permitted after special approval" shall be permitted within the district under which it is listed, provided that Planning Commission approval has been granted pursuant to this Ordinance.

ARTICLE V

AR AGRICULTURAL - RESIDENTIAL DISTRICT

Section 5.01. PRINCIPAL USES PERMITTED.

- A. Farms, farm buildings, and farm uses.

- B. Single-family dwellings (subject to Section 13.05).
- C. Roadside stands limited to the selling of farm produce.
- D. Family day care homes.
- E. State licensed residential facilities for six or fewer residents.
- F. Buildings, structures and uses which are accessory to any of the above-permitted uses.

Section 5.02. USES PERMITTED AFTER SPECIAL APPROVAL.

- A. Private parks, recreation facilities, campgrounds, and golf courses.
 - 1. Minimum site size shall be ten (10) acres.
 - 2. All development features shall be located so as to minimize the possibility of any adverse effect upon adjacent property. This shall include a minimum setback of one hundred (100) feet from property lines.
 - 3. Activities shall be adequately screened from abutting property.
 - 4. Related accessory commercial uses may be permitted in conjunction with the recreation use when it is clearly incidental to the main recreational character of the property.
- B. Dog kennels and the raising of fur bearing animals.
 - 1. All animals shall be housed and maintained in a safe and sanitary manner.
 - 2. All pens and runways in dog kennels shall be screened from view from any residences or roads by buildings or greenbelt plantings. Kennels shall have restrictive fencing at least six (6) feet in height.
 - 3. Dog kennels shall be set back a minimum of fifty (50) feet from each property line and one hundred fifty (150) feet from the road.
 - 4. For purposes of this section, a dog kennel is defined as any property on which four (4) or more dogs over the age of six (6) months are kept or harbored.
- C. Quarrying of soil, sand, clay, gravel or similar materials.
 - 1. Each application for special approval shall contain the following:
 - a) Names and addresses of property owners and proposed operators of the premises.
 - b) Legal description of the premises.

- c) Detailed statement as to method of operation, type of machinery or equipment to be used and estimated period of time that the operation will continue.
- d) Detailed statement as to the type of deposit proposed for extraction.
- e) Reclamation plan and detailed statement as to the proposed use of the land after quarrying or fill operations are complete.

2. Operational Requirements.

- a) Pit Operations.
- b) In operations involving excavations over five (5) feet in depth, the operator shall provide adequate safeguards to protect the public safety. The Planning Commission may require fencing, locked gates, and warning signs.
- c) The Planning Commission may require that any gravel or dirt roads used for the purpose of ingress and egress to said excavation site be kept dust free by hardtopping or chemical treatment.
- d) The completed slopes of the banks of any excavation shall in no event exceed a minimum of three (3) feet to one (1) foot (three foot horizontal to one foot vertical).
- e) No cut or excavation shall be made closer than two Hundred (200) feet from the centerline of the nearest road right-of-way nor closer than fifty (50) feet to the nearest property line. The Planning Commission may prescribe more strict requirements in order to give sublater support to surrounding property where soil or geologic conditions warrant it.
- f) The Planning Commission shall, to insure strict compliance with Ordinance provisions and required conditions of a permit for quarrying, require the permittee to furnish a bond in an amount determined by the Planning Commission.

D. Home Occupations.

- 1. The home occupation must be conducted entirely within an existing building.
- 2. The home occupation shall be clearly incidental and secondary to the use of the premises as a residence.
- 3. No noise, odor, fire hazard, or traffic congestion shall be created beyond that which is normal in a residential area.
- 4. No outdoor storage or display of merchandise or materials shall be allowed.
- 5. There shall be no more than one (1) employee, other than family members who reside in the home on the property.

E. Two family dwellings.

- F. State licensed residential facilities for seven or more residents.
- G. Group day care homes.
- H. Township and County governmental buildings, structures and facilities.
- I. Schools, churches, and cemeteries.
- J. Bed and breakfast establishments.
- K. Communications towers (subject to Section 13.11).
- L. Fuel storage facilities and fuel transfer facilities including propane, petroleum, ethanol, and similar fuels. This regulation shall not apply to fuel stored on a farm, providing the fuel is restricted to use on the farm.
- M. Cluster housing and open space.
 - 5. Open Space. Land qualifying as open space shall be land set aside for recreational, conservation or agricultural uses and preserved in an otherwise undeveloped state. Open space shall not be deemed to include areas within road rights of way, county drain easements or residential yard areas. Development of preserved open space lands or their use for other than recreation, conservation or agriculture purposes shall be prohibited.
 - 6. Open Space Minimum. A single-family cluster development must preserve open space equal to a minimum of fifty (50%) percent of the total area of the parcel on which the cluster housing is constructed.
 - 7. Features To Be Preserved. In order to approve a cluster housing proposal, the Planning Commission must determine that the parcel of land contains natural features which would be preserved through the use of cluster development. Such features must include at least one of the following:
 - a. Natural stands of large trees
 - b. Natural habitat for wildlife
 - c. Unusual topographic features
 - d. Productive farmland
 - e. Water or wetland areas
 - 8. Reduction of Minimum Lot Area. Within a cluster housing development, the Planning Commission may allow a dwelling unit density greater than otherwise permitted in the AR zoning district. The minimum lot area for each dwelling unit required in the AR zoning district may be reduced by the Planning Commission to no less than one-half (2) acre to accommodate a cluster housing development. Proposed lots under one (1) acre in size shall meet the septic standards of the county health department.
 - 9. Reduction of Setbacks and Lot Dimensions. In areas approved for cluster housing, the required setbacks and lot widths may be reduced by the Planning Commission, subject to the following standards:

- 9)1 The minimum side yard setbacks shall be no less than twenty (20) feet.
 - 9)2 The minimum rear yard setback shall be no less than twenty-five (25) feet.
 - 9)3 The minimum front yard setback shall be no less than one hundred (100) feet.
 - d) The minimum lot width shall be no less than one hundred (100) feet.
 - e) The maximum depth to width ratio shall be no greater than six (6) to one (1).
10. Common Ownership of Preserved Areas. Any land intended to be used as common area by home owners shall be set aside for their exclusive use. All such lands shall be designated on the site plan and shall be protected by restrictions running with the land. The restrictions shall be reviewed and approved by the Township Attorney to assure the following:
- 10)1 That title to the open space would be held in common by the owners of all dwelling units in the cluster development.
 - 10)2 That a permanent organization for maintenance and management of such areas would be assured by legal documents prior to the issuance of any building permits or the sale of any property.
 - 10)3 That the restrictions would be sufficient to assure the permanent preservation of the open space.
 - d) That the restrictions could be enforced by all property owners and by the Township.
11. Preserved Areas Not Owned in Common. Land areas which are to be preserved but not held in common ownership shall be designated on the site plan and shall be protected by restrictions necessary with the land. The restrictions shall be reviewed and approved by the Township Attorney to assure the following:
- 11)1 That the proposed manner of holding title to the preserved open land is acceptable to the Township.
 - 11)2 That the proposed restrictions would adequately preserve the natural features and regulate the use of the open land.
 - 11)3 That the restrictions could be enforced by all property owners and by the Township.

ARTICLE XII

Parking and Loading Requirements

Section 12.01. GENERAL PARKING REQUIREMENTS. In all zoning districts, off-street parking facilities for the storage and parking of motor vehicles shall be provided as required below. The parking spaces shall be maintained and shall not be encroached upon so long as the main building or structure remains, unless an equivalent number of parking spaces are provided elsewhere.

- 10. MINIMUM PARKING SPACE SIZE. Each parking space shall be at least 10 feet wide and 20 feet long, exclusive of drives.
- B. MINIMUM WIDTH OF ACCESS LANES IN PARKING AREAS. The minimum width of access lanes for parking spaces shall be twenty-five (25) feet.
- C. LOCATION OF PARKING SPACE. The parking facilities shall be located on the same lot or within five hundred (500) feet of the permitted uses requiring the parking.
- D. SEATING. As used in this Article for parking requirements, a seat shall mean either an individual chair or each twenty-four (24) inches of seating facilities.
- E. SIMILAR USES AND REQUIREMENTS. In the case of a use not specifically mentioned, the requirements of off-street parking for a use which is similar shall apply.
- F. EXISTING OFF-STREET PARKING. Off-street parking existing at the effective date of this Ordinance which serves an existing building or use shall not be reduced in size to less than that required under the terms of this Ordinance.
- G. DRAINAGE. All parking areas shall be drained so as to dispose of surface water which might accumulate within or upon such area. Drainage shall be provided to ditches, retention ponds or entirely on to the property on which the parking lot is located.
- H. ILLUMINATION. All illumination for such parking areas shall be deflected away from adjacent residential areas.
- I. HARD SURFACING. All required parking areas shall be paved with a pavement having an asphalt or concrete binder.

Section 12.02. TABLE OF PARKING REQUIREMENTS. The amount of required off-street parking space for new uses of land, buildings, or additions shall be determined in accordance with the following table. The space required shall be stated in the application for a zoning permit and shall be irrevocably reserved for such use.

ARTICLE XIII

General Provisions

Section 13.01. CONFLICTING REGULATIONS. Whenever any provisions of this Ordinance impose more stringent requirements than are imposed by the provisions of any other law or ordinance, the provisions of this Ordinance shall govern.

Section 13.02. ROAD FRONTAGE. Every dwelling or other building shall be located on a parcel of land which shall front upon a public road or shall be served by a private drive in compliance with the Watertown Township Private Drives Ordinance.

Section 13.03. DEPTH TO WIDTH RATIO. No property shall be divided in such a manner that the length or depth of any resulting parcel exceeds four (4) times the width of that parcel.

Section 13.04. RESIDENTIAL OCCUPANCY OTHER THAN IN COMPLETED DWELLINGS. Garages, barns, accessory buildings, and basements shall not be occupied either temporarily or permanently as dwellings.

Section 13.05. SINGLE-FAMILY DWELLING REQUIREMENTS. Any single-family dwelling shall comply with the following minimum standards:

- A. MINIMUM SIZE. Each dwelling shall contain the minimum number of square feet specified in Section 11.02, prior to any alterations or additions.
- B. MINIMUM WIDTH. Each dwelling shall be no less than fourteen (14) feet in width in all directions.
- C. FOUNDATION. Each dwelling shall be provided with foundation support in the form of a perimeter masonry or treated wood foundation or cement pillars or cement slab pursuant to the specifications of the building inspector. Skirting consisting of brick, concrete blocks, wood, vinyl or aluminum shall be constructed completely around the lower edge of any dwelling utilizing pillars for a foundation. Each dwelling shall be securely anchored to the foundation.
- D. STORAGE FACILITIES. Each dwelling shall have either a basement, garage or storage building containing at least 120 square feet of storage area. The storage facility shall be constructed at the same time as the dwelling.
- E. CONSTRUCTION CODE. Each dwelling and dwelling addition shall comply with building code requirements in effect at the time the dwelling is constructed or moved within the Township.

Section 13.06. SIGNS. All signs shall comply with the requirements of this Section.

- A. The following signs may be erected in the Township without prior Planning Commission approval, provided the other requirements of this Section are complied with:
1. Signs advertising real estate for sale or rent. Such signs may not exceed nine (9) square feet in sign area.
 2. Signs advertising agricultural produce grown on the premises. Such signs may not exceed nine (9) square feet in sign area.
 3. Signs advertising personal property owned by a resident of the premises; provided such personal property was not purchased for the purpose of resale. Such signs may not exceed nine (9) square feet in sign area.
 4. Signs advertising home occupations which have received approval pursuant to the Zoning Ordinance. Such signs may not exceed nine (9) square feet in sign area.
 5. Signs promoting political candidates or election issues. Such signs may not exceed thirty-two (32) square feet in sign area. Such signs shall not be erected more than sixty (60) days prior to an election and shall be removed within ten (10) days after the election.
 6. Signs stating the name and/or address of a property owner. Homeowner signs may not exceed four (4) square feet in sign area. Farm owner signs may not exceed forty-eight (48) square feet in sign area.
- 1.7 Temporary signs advertising non-commercial public event for not to exceed sixty (60) days. Such signs shall not exceed thirty-two (32) square feet in sign area.
- B. A sign site plan shall be approved by the Township Planning Commission before any sign is erected, constructed, or altered, except for signs permitted by sub-section A above.
- C. The Planning Commission shall review each site plan as to location, height, aesthetics, compatibility with the surrounding buildings and facilities, and compliance with Township ordinances. The Planning Commission may require revisions to the sign site plan.
- D. No sign shall include any flashing, oscillating, or intermittent illumination.
- E. All illuminated signs shall be so placed as to prevent the rays and illumination therefrom from being directly cast upon any residences or roadways.
- F. No sign shall rotate nor contain any moving parts.
- G. All signs shall be set back from all property lines no less than the minimum distance required by the Zoning Ordinance for buildings and structures and from all road right of way lines at least ten (10) feet.
- H. All signs shall be maintained so that they comply continuously with all requirements of this Ordinance and are kept in a good state of repair.
- I. ON-SITE SIGNS.
1. One principal sign shall be permitted on the site of each commercial, industrial, or institutional facility.

2. Principal on-site signs shall not exceed sixty-four (64) square feet in sign area.
3. No more than two secondary signs shall be permitted on the site of each commercial, industrial, or institutional facility.
4. Secondary on-site signs shall not exceed sixteen (16) square feet in sign area.

J. OFF-SITE SIGNS (BILLBOARDS).

1. Off-site signs may only be located on parcels of land which are zoned for commercial or industrial use.
2. Off-site signs shall not exceed sixty-four (64) square feet in sign area.
3. No off-site sign shall be erected within three hundred (300) feet of any other off-site or on-site sign.

Section 13.07. PONDS. No pond shall be dug within any front, side or rear setback line required by this Ordinance.

Section 13.08. GREENBELTS.

- A. In all zoning districts, no area within the required front yard setbacks shall be used for any permanent or temporary structures other than signs permitted by Township ordinances. Said front yard setback areas shall be planted and continuously maintained with grass, shrubs, and landscaping materials, except for the portion developed for use as a parking area or driveway.
- B. Whenever any property is developed for any use other than agricultural or residential, and the property borders any property zoned for residential use, a greenbelt at least ten (10) feet in width along said borders shall be planted and maintained.
- C. Detailed landscaping plans for all greenbelts shall be provided on the site plan relating to the development and shall be considered as a material part of the site plan. No construction project shall be deemed to be completed until all landscaping features required on the site plan have been planted or installed.
- D. The Planning Commission shall review and approve the type of plantings required to provide a satisfactory greenbelt in any specific situation.

Section 13.09. TEMPORARY MOBILE HOMES.

- A. The Zoning Administrator may issue a permit for a temporary mobile home to be occupied for one year during the time that a permanent dwelling is being constructed. A temporary mobile home does not have to comply with the single family dwelling standards contained in Section 13.05. A temporary mobile home permit may be issued if the following requirements are complied with:
 1. A building permit for the permanent dwelling must be acquired before the temporary mobile home is placed on the premises.
 2. The permanent dwelling must be completed and the temporary mobile home removed from the property before the expiration of the temporary mobile home permit.

3. The applicant must execute an affidavit guaranteeing that the temporary mobile home will be removed from the premises at the expiration of the permit period.
 4. A temporary mobile home permit may be renewed one time to grant up to one additional year for completion, providing reasonable progress has been made on construction of the permanent dwelling during the first one year permit period.
- B. Variances to permit the occupancy of mobile homes within the Township may also be granted by the Board of Zoning Appeals pursuant to the procedures contained in Article XVIII. Such variances for mobile home occupancy may only be granted for the purpose of housing farm labor or for the purpose of the housing of family members who are unable to reside elsewhere due to age, poor health, or indigence. Any mobile home approved under this Section may not be over 15 years old at the time it is placed on the site. Any mobile home approved pursuant to this Section shall be placed on a reinforced concrete pad or concrete piers and provided with adequate tie downs and skirting. In the event that the temporary mobile home ceases to be used for the purpose it was granted for, the mobile home shall be removed from the property within thirty (30) days of the date it ceases to be used for the purpose for which it was granted.

Section 13.10. PROHIBITED STRUCTURES. No bus, semi-trailer, or truck body or other motor vehicle body or similar item shall be placed on any property for use as a storage structure or other building purpose.

Section 13.11. PUBLIC SERVICE FACILITIES AND COMMUNICATION TOWERS.

5. Certain facilities provided by utility companies or by the Township government shall be permitted in all zoning districts. Facilities permitted by this section shall include transmission lines, sewer lines, water mains, pumping stations, substations, poles, and related equipment. Any equipment enclosures, substations or similar structures shall be subject to the site plan review requirements of Article XV. Any office, warehouse, manufacturing, or sales buildings must be located in the Commercial or Industrial zoning district.
6. Communication antennas and related facilities belonging to homeowners and used for personal communication shall be exempt from the requirements of this section and shall be allowed as a permitted use in all residential zoning districts, providing that the antenna and related facilities do not exceed sixty (60) feet in height. This shall include equipment used by ham radio operators as well as residential television and radio antennas.
7. All communication towers, including transmission towers, relay or receiving antennas, and normal accessory facilities involved in telephone, television, radio, microwave, cable systems, cellular, and similar communication services, may be allowed as special land uses in all zoning districts, pursuant to Article XVI, subject to the following requirements:
 1. The applicant shall submit a written statement and technical verification regarding the nature of any transmissions, electromagnetic fields, or any other radiation emitted from the facility, and any potential hazards to humans, animals, vegetation or property in the area. The applicant shall also submit a written explanation of the design characteristics and the ability of the structure(s) and attendant facilities to withstand winds, ice and other naturally occurring hazards. This information shall address the potential for the tower or other mounting structure and/or antennas to topple over or collapse, and what tower configuration should be expected in such an event. Technical

documentation of any information regarding these concerns shall also be provided.

2. The minimum setback from any property line or road right-of-way shall be equal to the height of the tower.
3. The tower or antenna shall not be unreasonably injurious to the safety, aesthetics, or market value of nearby properties.
4. All towers and related equipment shall be designed to be as compatible and harmonious as possible in style and building materials to the surrounding area. Any electrical, telephone or other utility lines to the tower site shall be placed underground.
5. All tower bases and related equipment shall be screened from view and shall be surrounded by a full perimeter fence to prevent unauthorized access. The fence shall have locked gates and shall be cyclone fence at least six (6) feet in height. The site shall be maintained in a neat manner and shall be kept in continuous compliance with the site plan.
6. No tower shall be located within a two (2) mile radius of any other tower.
7. In order to maximize the efficiency of the provision of telecommunication services, while also minimizing the impact of such facilities on the Township, co-location, or the provision of more than one antenna and more than one user on a single tower at a single location, shall be strongly encouraged. Before approval is granted for a new facility, the applicant shall demonstrate that it is not feasible to co-locate at an existing site.
8. Co-location shall be deemed to be Afeasible@ for the purposes of this Section, where all of the following are met:
 - (a) The site on which co-location is being considered, including reasonable modification or replacement of a facility, is able to provide structural support.
 - (b) The co-location being considered is technologically reasonable, i.e., the co-location will not result in unreasonable interference, given appropriate physical and other adjustment in relation to the structure, antennas, and the like.
 - (c) Existing towers or structures are located within the geographic area which meet the applicant=s engineering requirements.
 - (d) The fees, costs or contractual provisions required in order to share an existing tower or structure or to adapt an existing tower or structure for co-location are not unreasonable. For the purposes of this paragraph, costs exceeding new tower development are presumed to be unreasonable.
9. Applicants receiving approval for a tower shall agree to allow co-location on the tower for reasonable market compensation as long as the conditions described in subsections C.8. (a)(b) and (c) are met.
10. A condition of every approval of a communication tower shall be adequate provision for the removal of the facility whenever it ceases to be used for one year or more. Removal includes the proper receipt of a demolition permit from the Building Official and proper restoration of the site to the satisfaction of the

Zoning Administrator. Removal of the tower and its accessory use facilities shall include removing the top three (3) feet of the caisson upon which the tower is located. This area shall then be filled and covered with top soil and restored to a state compatible with the surrounding vegetation.

11. To insure proper removal of the tower when it is abandoned, any application for a new tower shall include a description of the financial security guaranteeing removal of the tower which will be posted at the time of receiving a building permit for the facility. The security shall be a: 1) cash bond; 2) irrevocable bank letter of credit; or 3) performance bond in a form approved by the Township Attorney. The amount of such guarantee shall be no less than 110 percent of the estimated cost of removal and may include a provision for inflationary cost adjustments. The estimate shall be prepared by the engineer for the developer and shall be approved by the Township. The applicant shall also be responsible for the payment of any costs or attorney fees incurred by the Township in securing removal.

Section 13.12. YARD SALES. No person shall operate or permit to be operated on his property any yard sale, except in compliance with the following requirements:

- A. No yard sale shall be conducted for more than four (4) days.
- B. No more than two (2) yard sales may be held during any calendar year.
- C. No yard sale shall be operated before 9:00 a.m. or after 9:00 p.m. on any day.
- D. Any temporary signs advertising the yard sale shall be removed within twenty-four (24) hours after the completion of the yard sale.
- E. For purposes of this Ordinance, the term A yard sale@ shall mean any offering for sale of personal property in an area zoned for residential use. The term A yard sale@ shall include sales commonly known as A garage sales@, A porch sales@, Abasement sales@, and similar operations. The offering for sale of a single item only, such as an automobile or a boat, shall not be considered a A yard sale@. Any sales which are conducted as part of a permanent business enterprise on property zoned for industrial or commercial use shall not be considered to be A yard sales@ covered by this ordinance.

ARTICLE XIV

Non-conforming Lots, Uses, and Structures

Section 14.01. CONTINUED NON-CONFORMING USES PERMITTED.

Within the districts established by this Ordinance there exist lots, structures, and uses of land and structures, which were lawful prior to the adoption of this Ordinance. These non-conformities may continue until they are removed. The non-conformities shall not be enlarged upon, expanded or extended in any manner which increases their non-conformity.

Section 14.02. NON-CONFORMING LOTS OF RECORD. A single-family dwelling and customary accessory buildings may be erected on any lot of record at the effective date of adoption of this Ordinance, provided the width, depth, and area is not less than one-half (50%) percent of that required by this Ordinance. Permission to build on smaller recorded lots which lack adequate width, depth, or area, may be granted by the Board of Zoning Appeals as long as reasonable living standards can be provided.

Section 14.03. NON-CONFORMING STRUCTURES. Where a lawful structure exists at the effective date of adoption of this Ordinance that could not be built under the terms of this Ordinance, such structure may be continued so long as it remains otherwise lawful, subject to the following provisions:

- A. No such non-conforming structure may be enlarged or altered in an way which increases its non-conformity.
- B. Should such non-conforming structure be destroyed by any means to an extent of more than seventy-five (75%) percent of its value, it shall not be reconstructed except in conformity with the provisions of this Ordinance.
- C. Should such structure be moved for any reason whatever, it shall thereafter conform to the regulations for the district in which it is located after it is moved.

Section 14.04. NON-CONFORMING USES OF LAND OR STRUCTURES. Where at the time of passage of this Ordinance lawful use of land or structures exists which would not be permitted by the regulations imposed by this Ordinance, the use may be continued so long as it remains otherwise lawful, provided:

- A. No such non-conforming use shall be enlarged or increased, nor extended to occupy a greater area of land or additional structures than that occupied at the effective date of adoption or amendment of this Ordinance.
- B. If any such non-conforming use ceases for any reason for a period of more than twelve (12) months any subsequent use shall conform to the regulations specified by this Ordinance.
- C. No additional structure not conforming to the requirements of this Ordinance shall be erected in connection with such non-conforming use of land.

- D. No existing structure devoted to a use not permitted by this Ordinance in the district in which it is located shall be enlarged, extended, constructed, reconstructed, moved, or structurally altered except in changing the use of the structure to a use permitted in the district in which it is located.

ARTICLE XV

Planning Commission

Section 15.01. MEMBERSHIP. There is hereby established a Township Planning Commission as authorized by Section 4 of the Township Planning Act, as amended. The Planning Commission shall consist of between five and seven members appointed by the Township Supervisor with the approval of the Township Board. The members shall be representative of major interests as they exist in the Township. One member of the Planning Commission shall also be a member of the Township Board. Each member shall be appointed for a term of three years, except that the term of the member who also serves on the Township Board shall terminate if the membership on the Township Board terminates before the end of the three-year Planning Commission term. The Planning Commission shall elect a Chairman, Vice-Chairman, and Secretary from its members. The terms of these offices shall be one year.

Section 15.02. POWERS. The Planning Commission shall have the power to review and approve site plans pursuant to Article XIV of this Ordinance, to hear and decide requests for uses permitted after special approval pursuant to Article XV of this Ordinance, and to hear and make recommendations on zoning amendment requests pursuant to Article XVII of this Ordinance. The Planning Commission shall also have the power to prepare and adopt a plan as a guide for the development of the Township as provided for in the Township Planning Act.

ARTICLE XVI

Site Plan Review Requirements

Section 16.01. SCOPE. A site plan shall be prepared and submitted for every construction project and every proposed change in land use, except that no site plan shall be required for single-family residences, farm buildings, or buildings which are accessory to single-family residences.

Section 16.02. PROCEDURE. All site plans shall be submitted first to the Zoning Administrator, who shall review the plans for compliance with the requirements of the Zoning Ordinance. The Zoning Administrator shall then refer the site plan to the

Planning Commission for review and decision. Once a site plan is approved by the Planning Commission, it shall not be altered without the consent of the Planning Commission.

Section 16.03. CONTENT. Each site plan shall include the following:

- A. Area of the site.
- B. Date, north point, and scale.
- C. Dimensions of all property lines.
- D. Location and dimensions of all existing and proposed structures on the property or on adjacent properties within 100 feet of the property lines.
- E. Location and dimensions of all existing and proposed roads (including rights-of-way), driveways, sidewalks, and parking areas (see Article XII).
- F. Location of all existing and proposed utility lines, wells, septic systems, and storm drainage.
- G. Location, dimensions and details of proposed plantings, greenbelts and landscaped areas (see Section 13.08).
- H. Exterior drawings of proposed new buildings or existing buildings to which major additions are proposed.
- I. Location, dimensions, and drawings of existing and proposed signs (see Section 13.06).
- J. Name, address, and telephone number of the person who prepared the site plan.

Section 16.04. STANDARDS. In determining whether to approve, modify, or deny a site plan, the Planning Commission shall consider the following:

- A. Adequacy of traffic ingress, egress, circulations, and parking.
- B. Adequacy of landscaping to protect adjoining properties and enhance the environment of the community.
- C. Location and design of proposed structures so as to ensure that detrimental effects on adjacent properties will be minimized.
- D. Adequacy of storm drainage.

- E. Location and design of signs so as to prevent highway visibility obstructions, driver distractions, encroachments, and adverse impacts on the community environment.

Section 16.05. BOND. A cash deposit shall be posted with the Township as a guarantee that the project will be completed in accordance with the approved site plan. Upon the completion of the project in accordance with the approved site plan, the bond shall be released. The amount of the bond shall be five (5%) percent of the project cost, but in no case shall the bond amount be less than One Thousand (\$1,000.00) Dollars.

Section 16.06. TIME FOR COMPLETION. Each site plan shall be fully complied with and all construction completed within one (1) year of the date the building permit is issued. Site plan approval shall expire two (2) years from the date the Planning Commission granted initial approval, unless the site plan has been fully completed or unless an extension has been granted by the Planning Commission.

ARTICLE XVII

Procedures For Uses Permitted After Special Approval Of The Planning Commission

Section 17.01. APPLICATION. For all uses permitted after special approval, a written application shall be submitted to the Planning Commission. Such application shall contain a description of the proposed use, a legal description and street location of the property on which the proposed use would be located, the signature of the property owner, the signature of the petitioner (if different from the property owner), and a scale drawing of the site. The scale drawing shall show existing and proposed buildings, driveways, points of ingress and egress, parking areas, fencing, landscaping, signs and road right-of-ways.

Section 17.02. HEARING. Requests for uses permitted after special approval may be heard and decided at any regular or special meeting of the Planning Commission, provided the petitioner has presented all required information and proper notice has been given. Notices of public hearing on uses permitted after special approval shall be sent to the person requesting the special approval and to owners and occupants of property within a minimum of 300 feet from the property lines of the property which is the subject of the request for special approval. Notice shall be sent by regular mail and shall be sent to the property owners as shown on the latest tax assessment roll. A notice shall also be published once in a local newspaper. All notices shall be given not less than five (5) days nor more than fifteen (15) days prior to the hearing.

Section 17.03. STANDARDS. Requests for uses permitted after special approval shall be granted or denied based on the following standards:

- A. The location, size and character of the proposed use shall be in harmony with, and appropriate to the surrounding neighborhood.
- B. The proposed use shall not result in the creation of a hazardous traffic condition.
- C. The site layout, intensity of use, and time periods of use shall not be such as to create a nuisance due to dust, noise, smell, vibration, smoke, or lighting.
- D. All specific requirements of the zoning district where the proposed use would be located shall be complied with.

Section 17.04. DECISION. The Planning Commission may deny, approve, or approve with conditions any request for a use permitted after special approval. The decision of the Planning Commission shall be incorporated in a statement containing the conclusion on which the decision is based and any conditions imposed. Any condition imposed shall meet all of the following requirements:

- A. Be designed to protect natural resources, the health, safety, and welfare and the social and economic well-being of those who will use the land use or activity under consideration, residents and landowners immediately adjacent to the proposed land use or activity, and the community as a whole.
- B. Be necessary to meet the intent and purpose of the Zoning Ordinance, be related to the standards established in the Ordinance for the land use or activity under consideration, and be necessary to insure compliance with those standards.

Section 17.05. EXPIRATION. Planning Commission permission for a use permitted after special approval shall expire one year from the date of the meeting at which permission is granted unless the premises has actually been occupied by the use permitted or unless construction has been undertaken to prepare the premises for the use permitted within the one-year period.

ARTICLE XVIII

Zoning Board Of Appeals

Section 18.01. MEMBERSHIP. There is hereby established a Zoning Board Of Appeals as authorized by Section 18 of the Township Rural Zoning Act, as amended. The Zoning Board Of Appeals shall consist of three members appointed by the Township Board. One member shall be a member of the Township Board. One member shall be a member of the Planning Commission. The remaining member shall be an elector who is not an employee or contractor of the Township. Each member shall be appointed for a term of three years, except that the term of

office of the members who are also members of the Township Board or Planning Commission shall terminate if their membership on the Township Board or Planning Commission terminates before the end of the three-year term. The Zoning Board Of Appeals shall elect a Chairman, Vice-Chairman, and Secretary. The Township Board member may not serve as Chairman.

Section 18.02. APPEALS. An appeal may be taken to the Zoning Board Of Appeals by any person wishing to appeal any ordinance provision or any final decision of the Zoning Administrator or the Planning Commission, including special land use decisions. The Zoning Board Of Appeals shall also interpret the zoning map and rule on non-conforming uses and structures whenever the determination of the Zoning Administrator is appealed from. All appeals must be applied for in writing on forms provided by the Township. A public hearing on an appeal shall be held within 90 days of the date the application is submitted to the Township. The Zoning Board Of Appeals shall give notice of the hearing to the parties involved. The Zoning Board Of Appeals shall also give notice to owners of property within a minimum of 500 feet from the property lines of the property which is the subject of the appeal. Notice shall be by regular mail and shall be sent to the property owners as shown on the latest tax assessment roll.

Section 18.03. POWERS. The Zoning Board Of Appeals shall have the power to vary or modify any ordinance provision or administrative decision whenever there are practical difficulties or unnecessary hardships imposed on the property owner if the strict letter of the Ordinance is carried out. The Zoning Board Of Appeals shall decide appeals in such a manner that the spirit of the Ordinance is observed, public safety secured, and substantial justice done.

Section 18.04. DECISIONS. The Zoning Board Of Appeals may require the appellant to provide such additional information as is necessary to make a decision. In making a decision, the Zoning Board Of Appeals may impose such conditions as it may deem necessary to comply with the spirit and purpose of the Zoning Ordinance. The Zoning Board Of Appeals shall state the grounds of each decision. Any conditions imposed by the Zoning Board Of Appeals shall meet the following requirements:

- A. Be designed to protect natural resources, the health, safety, and welfare and the social and economic well-being of those who will use the land use or activity under consideration, residents and landowners immediately adjacent to the proposed land use or activity, and the community as a whole.
- B. Be related to the valid exercise of the police power, and purposes which are affected by the proposed use or activity.
- C. Be necessary to meet the intent and purpose of the Zoning Ordinance, be related to the standards established in the Ordinance for the land use or

activity under consideration, and be necessary to insure compliance with those standards.

Section 18.05. EXPIRATION OF VARIANCE APPROVALS. Any variance shall expire one year from the date it is granted unless use of the property has begun or construction has been undertaken pursuant to the variance.

ARTICLE XIX

Amendments and Rezoning

Section 19.01. APPLICATION. The Township Board may, after a public hearing by the Township Planning Commission, amend the regulations or the district boundaries of this Ordinance pursuant to the authority and according to the procedure set forth in Act 184 of the Public Acts of 1943, as amended. Proposed amendments to the regulations or district boundaries of the Ordinance may be initiated by the Township Planning Commission, the Township Board or an individual petitioner. Whenever an individual petitioner requests a zoning amendment, he shall be the fee owner of the premises concerned or else have the fee owner also subscribe to his petition. A petition for rezoning shall be submitted to the Township Clerk along with a rezoning fee, as established by the Township Board.

Section 19.02. NOTICE OF HEARING. Notice of a public hearing by the Planning Commission shall be published twice in a newspaper of general circulation in the Township for each proposed amendment to the regulations or district boundaries. The first publication shall be made not more than 30 nor less than 20 days before the date of the hearing. The second publication shall be made not more than eight days before the date of the hearing. If property is proposed to be rezoned, notice shall also be delivered personally or by mail to the owner of the property proposed for rezoning and the owners and occupants of all property within 300 feet of the property proposed to be rezoned. The notice shall be delivered at least eight days before the hearing.

Section 19.03. PLANNING COMMISSION HEARING AND RECOMMENDATIONS. After conducting the required public hearing, the Township Planning Commission shall adopt recommendations as to the approval or denial of the proposed rezoning of property or amendment to the Ordinance regulations. Upon completion of action by the Township Planning Commission, the proposed rezoning or amendment shall be submitted to the Sanilac County Planning Commission for review and recommendation.

Section 19.04. TOWNSHIP BOARD. Upon receipt of the recommendations of the Township Planning Commission and the County Planning Commission, the Township Board shall undertake consideration of the proposed rezoning or amendment. If no recommendation is received from the County Planning Commission within 30 days after it received the proposed rezoning or amendment,

the Township Board shall conclusively presume that the County has waived its right for review and recommendation. Any decision by the Township Board which results in the rezoning of property or the amendment of the Ordinance shall be incorporated in an ordinance duly adopted and published by the Township Board.

ARTICLE XX

Violations

Section 20.01. ENFORCEMENT AND PENALTY. Any person, firm, or corporation, or anyone acting in behalf of said person, firm or corporation, who shall violate any of the provisions of this Ordinance, or who shall fail to comply with any of the regulatory measures or conditions of the Board of Zoning Appeals, or the Planning Commission, adopted pursuant hereto, shall upon conviction thereof be subject to a fine of not more than Five Hundred (\$500.00) Dollars and court costs, or by imprisonment in the County Jail for a period not to exceed ninety (90) days, or by both such fine and imprisonment. Each day such violation continues shall be deemed a separate offense. The imposition of any sentence shall not exempt the offender from compliance with the requirements of this Ordinance.

Section 20.02. NUISANCE PER SE. Any building or structure which is used, erected, altered, razed, or converted or any use of any premises which is begun or changed and in violation of any provision of this Ordinance, is hereby declared to be a nuisance per se.

ARTICLE XXI

Definitions

Section 21.01. DEFINITIONS. For the purpose of this Ordinance, certain terms are herewith defined. Terms not herein defined shall have the meanings customarily assigned to them.

ACCESSORY BUILDING. A building related to and secondary to the main use of the premises.

ACCESSORY USE. A use naturally and normally incidental and subordinate to the main use of the premises.

ALTERATIONS. Any change, addition or modification in construction of the structural members of a building, such as walls, partitions, columns, beams, or girders.

BOARD OF APPEALS. The duly appointed Board of Zoning Appeals for the Township of Watertown.

BUILDING. A structure, either temporary or permanent, having a roof supported by columns or walls for the shelter, support of enclosure of persons, animals, or personal property. This shall include vehicles, trailers, or mobile homes situated on private property and used for purposes of a building.

COMMERCIAL OR INDUSTRIAL FACILITY. Any business or industry located on a parcel of land which has been zoned for commercial or industrial use or which is recognized by the Township as a legal non-conforming use which existed prior to the adoption of the Zoning Ordinance.

DWELLING, DUPLEX OR TWO-FAMILY. A building used or designed as a residence for two (2) families.

DWELLING, MULTIPLE-FAMILY. A building used or designed as a residence for three (3) or more families.

DWELLING, SINGLE-FAMILY. A building used or designed exclusively as a residence for one (1) family.

DWELLING UNIT. Any house, building, mobile home, or portion thereof which is designed for or occupied as a residence or sleeping quarters for a person, persons, or family as a single unit.

ERECTED. The word "erected" includes built, constructed, reconstructed, moved upon, or any physical operations on the premises required to construct a building. Excavations, fill, or drainage relating to the construction or placement of a structure shall be considered a part of erecting.

EXCAVATING. The removal of sand, stone, gravel or dirt from its natural location.

FARM. All of the associated land, operated as a single unit on which bona fide farming is carried on, including livestock and poultry raising, feedlots, dairying, crop production, forestry, tree and shrub nurseries, greenhouses, sod farms, truck gardens and similar enterprises involving agricultural production. This shall include portable sawmills used for the purpose of processing the wood grown on the farm on which the sawmill is located.

FARM BUILDING. Any building or structure, other than a dwelling, which is customarily used on farms for the pursuit of their agricultural activities.

FILLING. The depositing or dumping of any matter onto or into the ground.

FLOOR AREA. The sum of the gross horizontal areas of the several floors of the building measured from the exterior faces of the exterior walls. The "floor area" of a building shall include the basement floor area when more than one-half (1/2) of the basement height is above the finished lot grade.

INSTITUTIONAL FACILITY. Any church, school, governmental building or facility, lodge hall, veterans organization building, or similar non-profit facility serving the community.

JUNK. Any motor vehicles, machinery, appliances, product, merchandise, scrap metals, broken concrete, or other scrap materials that are deteriorated, or are in a condition which cannot be used for the purpose that the product was manufactured.

JUNK YARD. Any property used for the storage, keeping, dismantling, or abandonment of junk outside of an enclosed building.

KENNEL. Any lot or premises on which four (4) or more dogs, six (6) months old or older, are kept either permanently or temporarily.

LIVESTOCK. Horses, cattle, sheep, goats, mules, donkeys, hogs, and other hooved animals.

LOT OF RECORD. Any parcel of land which is separately described in a deed, land contract, or similar legal document evidencing a conveyance of ownership and recorded with the Sanilac County Register of Deeds.

MOBILE HOME OR MANUFACTURED HOME (includes house trailer, trailer coach, and double-wide mobile home). A dwelling unit designed for long term occupancy and designed to be transported after fabrication on its own wheels or as one or more units. This includes all units which could be licensed under the provision of Act 300 of the Public Acts of 1949, as amended.

MANUFACTURED HOUSING PARK. Any parcel of land which has been designed, improved or used for the placement of three or more manufactured homes or mobile homes for dwelling purposes.

OFF-SITE SIGN (BILLBOARD). A sign advertising something other than the facility which is located on the same parcel of land as the sign.

PARKING SPACE. An area of not less than ten (10) feet wide by twenty (20) feet long, designed for the parking of a motor vehicle, such space being exclusive of necessary drives, aisles, entrances, or exits and being fully accessible for the storage or parking of permitted vehicles.

PLANNING COMMISSION. The duly appointed Planning Commission of Watertown Township, as authorized by Michigan Public Act 168 of 1959.

PRINCIPAL ON-SITE SIGN. A sign advertising the name of a facility located on the same parcel of land as the sign.

QUARRYING. The removal of sand, clay, gravel, soil or similar material from its natural location for sale or use on a parcel of land other than the parcel on which the material was originally located.

SECONDARY ON-SITE SIGN. A sign advertising a service or product available at a facility located on the same parcel of land as the sign.

SETBACK. The distance between the base of a building and a road right-of-way line or a property line.

SIGN. Any outdoor sign, display, device, figure, painting, writing, drawing, message, placard, poster, billboard, or other thing designed, intended, or used to advertise or inform persons who are on the public roads.

SIGN AREA. The total surface area of a sign. In the case of signs having two sides back-to-back, the sign area shall be the total surface area of one side of the sign.

STRUCTURE. Anything constructed, erected, or placed on a parcel of land which is permanently located in the ground or attached to something having a permanent location. This shall include buildings, mobile homes, pre-manufactured units, modular units, and similar items. Any structure located on the same premises for more than six months shall be deemed to be permanently located within the meaning of this definition.

TOWNSHIP BOARD. The duly elected or appointed Township Board of the Township of Watertown.

TRAVEL TRAILERS (including recreational vehicles, camping trailers, truck campers, and motor homes). Vehicular-type portable structures, primarily designed as temporary living accommodations for recreational camping or travel use. These vehicles can either be towed, hauled, or affixed to another vehicle and driven from one site to another without requiring a special transportation permit for travel.

TRAVEL TRAILER PARK. Any parcel of land designed, improved, or used for the placement of three (3) or more travel trailers or tents (used for recreation, camping or travel use) for overnight accommodations.

USE. The purpose for which a parcel of land or a building is designed, arranged, or intended or the purpose for which it is occupied, maintained, or leased.

YARD. An open space of prescribed width or depth on the same land with a building or group of buildings, which open space lies between the building or group of buildings, and the nearest lot line and is unoccupied and unobstructed from the ground upward.

ARTICLE XXII

Severability and Repeal

Section 22.01. SEVERABILITY. This Ordinance and the various articles, sections, paragraphs, sentences, and clauses thereof, are hereby declared to be severable. If any article, section, paragraph, sentence, or clause is adjudged unconstitutional or invalid, it is hereby provided that the remainder of the Ordinance shall not be affected thereby.

Section 22.02. REPEAL. The former Watertown Township Zoning Ordinance No. 100, adopted in 1985, and all amendments thereto, are hereby repealed in their entirety.

ARTICLE XXIII

Enactment

Section 23.01. ORDINANCE ENACTED. The provisions of this Ordinance are hereby enacted and declared to be immediately necessary for the preservation of the public health, safety, and welfare of the people of the Township of Watertown.

Section 23.02. EFFECTIVE DATE. This Ordinance is ordered to be given effect seven (7) days after the date of publication specified in Section 23.03, pursuant to Michigan Public Act 184 of 1943, as amended.

Section 23.03. CERTIFICATION. The undersigned Clerk of the Township of Watertown hereby certifies that this Ordinance is a true copy of the Ordinance which was duly adopted by the Watertown Township Board, at a meeting held on the 6th day of March, 2002. I further certify that a notice of adoption of this Ordinance was duly published in the Sanilac County News on the 13th day of March, 2002, pursuant to Section 11a of Michigan Public Act 184 of 1943, as amended.
